

### Camp Director

Head Coach, Monte Moser

The Centerville Volleyball Coaching staff presents the 13<sup>th</sup> annual Volleyball Camp held at Centerville High School. The boys' camps will be held July 21-26, and are open to grades 8-12 entering the 2008-2009 school year. Players should have at least one year of experience with volleyball in a competitive setting. Beginning players are encouraged to attend the girls camp of their appropriate grade level.

This year we are pleased to offer two styles of camps. The four-day general skills camp will offer instruction in all aspects of volleyball. The two-day setters and hitters camp will be a more advanced series of instruction working with these two skill positions and high level offensive theories.

Players are welcome to attend one or both camps. Please indicate preference on the registration form.
